

ADATA LEGEND 900 1TB PCIe M.2 SSD

Model: SLEG-900-1TCS

Manufacturer: A-DATA

EAN: 4711085944153

Product Code: 21194

R3,664

The ADATA Legend 900 internal hard drive offers performance and durability, ideal for demanding computing environments. With a PCI Express 5.0 x4 interface and compliant with NVMe 2.0 standards, this solid-state drive delivers speeds that enhance data transfer efficiency. Equipped with features like integrated heatsink, SLC cache, and 3D NAND technology, it ensures optimal performance while maintaining thermal stability. With an MTBF of 1,500,000 hours and a wide operational temperature range, it stands resilient against adverse conditions, making it a reliable solution for both personal and professional use.

Designed with versatility in mind, the ADATA Legend 900 excels in various computing tasks, from gaming to content creation. Its operating temperature support ranges from 0°C to 70°C, and it can withstand storage conditions as low as -40°C to as high as 85°C. The inclusion of LDPC ECC Technology and 256-bit AES encryption ensures data integrity and security. Achieve seamless multitasking and experience efficient data management with a maximum 4KB random read/write capability of up to 1,400,000 IOPS, promoting an overall smoother experience for users.

Product Description: ADATA Legend 900 - SSD - 1 TB - PCI Express 5.0 x4 (NVMe) | Type: Solid state drive - internal | Capacity: 1 TB | Integrated Heatsink: Yes | Encryption Algorithm: 256-bit AES | Form
