

SAMSUNG 990 PRO SSD Heatsink 4TB M.2 NVMe

Model: MZ-V9P4T0CW

Manufacturer: SAMSUNG

EAN: 8806094946857

Product Code: 21206

R21,626

Discover the Samsung 990 PRO, a solid state drive that redefines storage with its 4 TB capacity and advanced features designed for efficiency and security. Engineered with Samsung V-NAND 3bit MLC Technology, this internal hard drive delivers exceptional speed and reliability, making it an ideal choice for professionals and enthusiasts alike. The PCI Express 4.0 x4 (NVMe) interface ensures fast data transfer rates, while the integrated heatsink keeps the device cool, even under heavy use. With support for TRIM, Garbage Collection technology, and Device Sleep mode, it offers a blend of performance and power efficiency. Security is paramount, with 256-bit AES hardware encryption and TCG Opal Encryption providing peace of mind. Whether you're gaming, working on large projects, or simply need reliable storage, the Samsung 990 PRO is up to the task.

Product Description: Samsung 990 PRO MZ-V9P4T0CW - SSD - 4 TB - PCIe 4.0 x4 (NVMe) | Type: Solid state drive - internal | Capacity: 4 TB | Integrated Heatsink: Yes | Hardware Encryption: Yes |

Encryption Algorithm: 256-bit AES | NAND Flash Memory Type: Multi-level cell (MLC) | Form Factor: M.2 2280 | Interface: PCIe 4.0 x4 (NVMe) | Features: Samsung V-NAND 3bit MLC Technology, TRIM

support, Device Sleep support, Garbage Collection technology, 2 GB Low Power DDR4 SDRAM Cache,
