

SAMSUNG Portable SSD T9 4TB

Model: MU-PG4T0B/EU

Manufacturer: SAMSUNG

EAN: 8806094914672

Product Code: 21209

R15,103

The Samsung T9 MU-PG4T0B external hard drive combines high-capacity storage, advanced security features, and fast data transfer speeds into a sleek, portable design. With a 4 TB capacity, it offers plenty of space for all your storage needs, from high-resolution photos and videos to large documents. The drive supports rapid data transfers with a 20 Gbps interface speed, thanks to USB 3.2 Gen 2x2 technology, ensuring that you spend less time waiting and more time creating. Security is paramount, and with password authentication, up to 3 m drop protection, and 256-bit AES hardware encryption, your data is protected against both physical and digital threats. Additionally, the inclusion of both USB-C and USB-C to USB-A cables provides the flexibility to connect to a wide range of devices, making the Samsung T9 an excellent choice for professionals and enthusiasts alike who require durable, high-performance storage on-the-go.
