Read in color with the new 7" Colorsoft display—high-contrast, paper-like, and easy on the eyes. Highlight key moments in yellow, orange, blue, or pink. Read for weeks on a single USB-C charge or use the wireless dock (sold separately). Day or night, the glare-free screen with auto-adjusting light adapts to any setting. Waterproof design means worry-free reading anywhere. Explore 15M+ titles in the Kindle Store or enjoy unlimited reads with Kindle Unlimited. Optimized for color, the Colorsoft display offers a new reading experience vs. the classic Paperwhite. Try Page Color to invert text and enjoy colorful content comfortably.
