Our fastest Kindle ever – The next-generation 7" Paperwhite display has a higher contrast ratio and 25% faster page turns.

Ready for travel – The ultra-thin design has a larger glare-free screen so pages stay sharp no matter where you are.

Escape into your books – Your Kindle doesn't have social media, notifications, or other distracting apps.

Battery life for your longest novel – A single charge via USB-C lasts up to 12 weeks.

Read in any light – Adjust the display from white to amber to read in bright sunlight or in the dark.

Waterproof and worry-free – Take your stories by the pool, in the bath, or anywhere in between.

Massive selection – Instantly access over 15 million titles in the Kindle Store worldwide, and add a Kindle Unlimited subscription for all-you-can read access to a catalog including best sellers.
