

Iiyama XUB2797HSN- W2 27inch IPS 1920x1080 HDMI DP USB

Model: XUB2797HSN-W2

Manufacturer: Iiyama

EAN: 4948570124992

Product Code: 301666

R4,733

The Iiyama ProLite XUB2797HSN-W2 offers a 27-inch Full HD display with image clarity and a high refresh rate of 100 Hz. This monitor features technologies such as Flicker-Free and Blue Light Reducer, ensuring an eye-friendly experience for work or entertainment. With a matte screen coating, the display minimizes glare, allowing users to focus on tasks without distraction. Enhanced color accuracy is supported by 99% sRGB coverage, delivering visuals suitable for design and gaming enthusiasts.

The connectivity options include HDMI, DisplayPort, and USB-C, making it easy to connect various devices. It also comes equipped with a built-in USB 3.2 Gen 1 hub and Ethernet port, enhancing productivity by simplifying device connections. The ergonomic design allows for height adjustment, tilt, swivel, and rotation for personalized viewing positioning, providing comfort during extended use.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
