environment. With a brightness of 350 cd/m² and a contrast ratio of 1500:1, images appear sharp and clear, making it suitable for various tasks, from work to entertainment.

Equipped with a collection of input options, including HDMI, DisplayPort, and USB-C, this monitor can connect to multiple devices. The built-in USB 3.2 Gen 2/USB-C hub and Gigabit Ethernet adapter enhance connectivity further, allowing for efficient data transfer and stable Internet access. The monitor is designed with user comfort in mind, featuring a Smart Ergo base for height and swivel adjustments, enabling a personalized viewing angle for extended usage.
