

PHILIPS 24B2N4200/00 23.8inch 1920x1080 VGA HDMI DP USB

Model: 24B2N4200/00

Manufacturer: MMD-MONITORS & DISPLAYS

EAN: 8721038003727

Product Code: 301675

R4,119

The Philips 24B2N4200 is a versatile 24-inch display designed to enhance productivity and provide visual quality. With a Full HD resolution of 1920 x 1080 and a pixel pitch of 0.2745 mm, it delivers vibrant images with clarity. The monitor features a wide viewing angle of 178 degrees, making it suitable for collaborative work environments where multiple users need to see the screen clearly from various positions.

Equipped with convenient features such as SmartImage, Flicker-Free technology, and Eyesafe 2.0, this monitor minimizes eye strain while providing an optimal viewing experience. The ergonomic design includes height adjustment, swivel, tilt, and pivot capabilities, ensuring comfortable usage for extended periods. Its built-in USB hub along with multiple connectivity options, including HDMI and DisplayPort, enhance overall efficiency.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
