EAN: 8721038004038

Product Code: 301676

R2,313

The Philips Evnia 3000 24M2N3200NF features a 24-inch desktop display that delivers Full HD 1080p resolution. With a swift response time of 0.5 ms and a maximum refresh rate of 144 Hz, this monitor ensures smooth gameplay and fluid visuals for various applications. The image brightness of up to 300 cd/m² paired with a contrast ratio of 1500:1 provides vibrant and detailed images, while the wide viewing angles of 178 degrees make it ideal for collaborative viewing and presentations. This monitor is designed with gamers in mind, offering advanced features such as SmartImage Game and Adaptive-Sync technology for reduced screen tearing. The anti-glare coating and Low Blue Mode help create a comfortable viewing experience, minimizing eye strain. With versatile connectivity options, including HDMI and DisplayPort, the Philips Evnia 3000 monitor is a smart choice for both work and play.
