

PHILIPS 24B2U4301/00 23.8inch 1920x1080 HDMI DP USB

Model: 24B2U4301/00

Manufacturer: MMD-MONITORS & DISPLAYS

EAN: 8721038003901

Product Code: 301677

R5,505

The Philips 24B2U4301 monitor combines performance, usability, and sustainability for a viewing experience. With a 23.8-inch viewable size and Full HD resolution of 1920 x 1080, it delivers sharp visuals and vibrant colors that enhance productivity and entertainment. Its IPS technology offers wide viewing angles of 178 degrees for consistent quality from any position. Equipped with Flicker-Free technology and SoftBlue technology, this monitor reduces eye strain during long working hours with minimal blue light emission. The ergonomically designed Smart Ergo base allows for height, swivel, tilt, and pivot adjustments, ensuring a comfortable viewing setup tailored to individual needs. Featuring a built-in USB hub and a Gigabit Ethernet network adapter, it provides connectivity options for seamless integration with other devices. The monitor supports Adaptive-Sync technology to eliminate screen tearing and stuttering for smoother gameplay and video playback. Additionally, it is compliant with environmental standards such as ENERGY STAR certification and RoHS, making it an eco-friendly choice for users. The Philips 24B2U4301 is designed to offer a blend of functionality,
