Product Code: 301678

R2,826

The Philips 27E1N1200A is a 27-inch desktop monitor designed to deliver a viewing experience with its Full HD resolution of 1920 x 1080 pixels. Featuring a response time of 1 ms and a V-Sync rate of 120 Hz, this monitor is optimized for smooth visuals, making it ideal for gaming and multimedia purposes. With an image brightness of 300 cd/m² and a contrast ratio of 1300:1, images appear vibrant and true to life.

This monitor supports wide viewing angles of 178 degrees and includes technologies like Adaptive-Sync and Flicker-Free, enhancing comfort during extended usage. A sleek and ultraslim design complements its functionality, while the anti-glare coating helps reduce reflections, ensuring clarity. The Philips 27E1N1200A is versatile with multiple interface options including HDMI, VGA, and DisplayPort, designed with user comfort in mind through features such as LowBlue Mode and EasyRead for an improved experience.
