R5,459

The AOC 27E4CV is a robust 27-inch LED-backlit LCD monitor designed to enhance desktop productivity and viewing experience. With a native resolution of 1920 x 1080, it delivers Full HD visuals, providing vibrant colors and sharp details. The monitor features advanced technologies like Flicker-Free technology and Eye comfort mode, ensuring prolonged usage without eye strain. The IPS technology allows for wide viewing angles of 178 degrees both horizontally and vertically, making it an excellent choice for collaborative work or multimedia viewing.

This monitor also boasts versatile connectivity with HDMI, DisplayPort, and USB-C options, allowing seamless connection to various devices. Built-in features such as a Gigabit Ethernet network adapter
