Product Code: 301696

## **R5,908**

The AOC Q27E4CV is a sleek 27-inch desktop monitor that combines impressive visuals with ergonomic versatility. With a QHD resolution of 2560 x 1440 and an image brightness of 350 cd/m<sup>2</sup>, this monitor delivers vibrant colors and clarity for all types of content, whether for work or entertainment. The IPS technology provides a horizontal and vertical viewing angle of 178 degrees, ensuring consistent image quality from various perspectives. The monitor features Flicker-Free technology and Eye comfort mode, suitable for long hours of use without causing eye strain. In addition to its visual quality, the AOC Q27E4CV is equipped with multiple connectivity options, including HDMI, DisplayPort, and USB-C. The built-in USB hub offers additional convenience for peripherals, while the adjustable stand allows for height, tilt, swivel, and pivot adjustments, enhancing comfort during use. Energy-efficient with EPEAT Gold certification and ENERGY STAR compliance, this monitor supports a sustainable lifestyle while providing an excellent viewing experience.
