

AOC 25G4SRE **24.5inch** **1920x1080 Fast** **IPS 300Hz AOC** **Gaming 2xHDMI** **1xDP**

Model: 25G4SRE

Manufacturer: AOC INTERNATIONAL

EAN: 4038986633024

Product Code: 301712

R3,956

The AOC Gaming 25G4SRE is designed for gamers who demand performance and visual clarity. With a 25-inch display and a viewable size of 24.5 inches, this monitor offers a Full HD resolution of 1920 x 1080 pixels, ensuring vibrant visuals for immersive gameplay. The monitor features Fast IPS technology and supports a V-Sync rate of up to 310 Hz, providing responsive motion during gaming sessions. A brightness of 400 cd/m² creates vivid images in various lighting conditions, enhancing the overall gaming experience. Additionally, its 178-degree horizontal and vertical viewing angles allow for a clear picture from virtually any position, making it a versatile choice for both single-player and multiplayer gaming setups.

Equipped with Flicker-Free technology and low input lag, the 25G4SRE minimizes eye strain and latency, making every movement and action feel smooth and precise. Users can enjoy a range of colors with support for 16.7 million colors, and HDR capability with VESA DisplayHDR 400
