The AOC Gaming Q25G4SR monitor is designed to enhance the gaming experience with its 25-inch QHD resolution of 2560 x 1440. Featuring a rapid response time of 0.3 ms, gamers can enjoy smooth visuals without blurring, making it ideal for competitive play. The display supports a refresh rate of up to 300 Hz, allowing for clear and fluid motion. With a brightness of 400 cd/m2 and a high contrast ratio of 1000:1, colors are vibrant and details are well-defined, creating an immersive environment. Equipped with Flicker-Free technology and Low Blue Light features, it minimizes eye strain during long gaming sessions, ensuring comfort and performance are optimized. The monitor's versatile design includes height, tilt, swivel, and pivot adjustments, providing flexibility for users to find the perfect viewing angle.
