The AOC AGON PRO AG246FK6 is designed for gamers seeking performance and vivid visuals. Featuring a 24-inch display with a Full HD resolution of 1920 x 1080 and a V-Sync rate of up to 610 Hz, the monitor ensures smooth gameplay with minimal lag. Its Ultra-Fast TN eSports technology combined with a response time of 0.5 ms delivers fast action with clarity.

With a brightness of 500 cd/m2 and a contrast ratio of 1000:1, the AG246FK6 offers vibrant colors and sharp details. The monitor supports HDR content through VESA DisplayHDR 400 certification and covers 93.6% of the DCI-P3 color gamut, bringing games to life in a range of colors. Added gaming features such as Flicker-Free technology, Low Blue Light technology, and custom game modes ensure a comfortable experience for extended gaming sessions.
