The AOC AGON PRO CS24A is a 24-inch desktop monitor that provides Full HD resolution of 1920 x 1080, making it suitable for gaming and content viewing. This monitor features a V-Sync rate of up to 610 Hz and a response time of 0.3 ms, ensuring smooth motion and reduced blurring during fast-paced action scenes. With Flicker-Free technology and Low Blue Light technology, it minimizes eye strain, allowing users to enjoy extended periods of use without discomfort. Equipped with various gaming features, such as Game Color Mode, RTS Mode, and Motion Blur Reduction, the CS24A enhances the gaming experience by providing vibrant colors and sharp visuals. The monitor includes a built-in USB 3.2 Gen 1 hub for easy connectivity, along with a 3-sided frameless design that maximizes the viewable area. Additionally, it supports AMD FreeSync Premium for tear-free
