

FORTINET Subscription license with Bundle for FortiWeb-VM 1 CPU 3 Year with Advanced bundle included

Model: FC1-10-WBVMS-582-02-36

Manufacturer: FORTINET

Product Code: 301880

R411,880

FortiWeb is a web application firewall (WAF) that protects web applications and APIs from attacks that target known and unknown exploits and helps maintain compliance with regulations. Using machine learning to model each application, FortiWeb defends applications from known vulnerabilities and from zero-day threats. High performance physical, virtual appliances and containers deploy on-site or in the public cloud to serve any size of the organization - from small businesses to service providers, carriers, and large enterprises.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
