

TRANSCEND 1TB M.2 2280 SSD SATA3 B+M Key TLC

Model: TS1TMTS825S

Manufacturer: TRANSCEND

EAN: 760557859390

Product Code: 302000

R7,421

Discover the Transcend MTS825S, a solid state drive designed to elevate your computing experience. With a generous 1 TB capacity, it offers ample space for all your storage needs. The drive excels in performance, featuring a 4KB random read of 55000 IOPS and a 4KB random write of 72000 IOPS, ensuring quick and efficient data retrieval and saving. It's built for durability, with an MTBF of 2,000,000 hours, and incorporates several advanced features such as Advanced LDPC ECC Technology, RAID Engine, and SLC cache to enhance data integrity and speed. The MTS825S also supports TRIM, S.M.A.R.T., and Native Command Queuing (NCQ), further boosting its performance and reliability. Its low power consumption, highlighted by the DevSleep mode, makes it an excellent choice for laptop users seeking to extend their battery life. With compliance to multiple standards, including BSMI, FCC, and UKCA, this SSD ensures broad compatibility and meets global regulatory requirements. Upgrade to the Transcend MTS825S and experience a significant boost in your computer's performance and reliability.
