Product Code: 302030

R2,999

The ASUS VA249QG is a versatile 24-inch desktop monitor designed to deliver visuals and a seamless viewing experience. With a native resolution of 1920 x 1080 and a pixel pitch of 0.2745 mm, this monitor ensures clear images with rich details. The anti-glare display screen coating minimizes reflections, allowing for comfortable viewing in various lighting conditions. With a dynamic contrast ratio of 100000000:1 and a brightness of 300 cd/m2, enjoy vibrant colors and exceptional depth in every image produced on the display.
