The Lenovo ThinkPad L16 Gen 2 is designed for those who need a reliable and efficient computing solution. Featuring a 16-inch display with a native resolution of 1920 x 1200, it offers vibrant visuals that enhance productivity and entertainment. The IPS technology and anti-glare feature make it ideal for any lighting condition, ensuring comfortable viewing angles and image clarity from all sides. Powered by an AMD Ryzen 7 Pro processor with a clock speed of 3.3 GHz and a turbo speed of 5.1 GHz, this notebook handles demanding tasks with ease. Equipped with dual array microphones and Dolby Atmos-compliant stereo speakers, it provides high-definition audio for a rich sound experience

during calls and media playback. The laptop also includes advanced security features such as a
