The Lenovo ThinkPad T14s Gen 6 offers a balance of performance and portability ideal for professionals on the move. Featuring a 14-inch WUXGA display with a native resolution of 1920 x 1200, the IPS technology ensures vibrant visuals with an anti-glare finish for comfort during prolonged use. Coupled with Dolby Atmos sound technology and dual array microphones, this laptop enriches the audio experience for video calls and multimedia consumption. Equipped with a robust AMD Ryzen 5 PRO processor and 16 MB L3 cache, the system delivers efficient multitasking capabilities. The solid-state drive provides rapid access to your data, while the 65 W USB-C charger enhances convenience and mobility. Security is prioritized with features like a fingerprint reader and
