## **R2,889**

The Samsung Essential S3 27-inch monitor delivers a visual experience with a native resolution of 1920 x 1080. The TFT active matrix technology ensures vibrant colors and sharp details, complemented by a brightness of 250 cd/m<sup>2</sup>. With a 100 Hz refresh rate and 4 ms response time, this monitor provides smooth performance, making it suitable for everything from gaming to professional tasks.

Designed with user comfort in mind, it features Flicker-Free technology and Eye Saver Mode to reduce eye strain during extended use. The Eco Saving Plus mode enhances energy efficiency, making it a greener choice for users. The tilt-adjustable display allows for customizable viewing angles, and with a wide horizontal and vertical viewing angle of 178 degrees, every seat is well-positioned.
