Manufacturer: LG

EAN: 8806096235386

Product Code: 302426

R5,885

The LG UltraWide 34WR55QK-B offers an immersive experience with its 34-inch display featuring a native resolution of 3440 x 1440, ideal for multitasking and enhancing productivity. The curved screen design with a 1800R curvature provides a wider field of view, making it suitable for gaming and media consumption. With a refresh rate of 100 Hz and a rapid response time of 5 ms, this monitor ensures smooth visuals and less motion blur, suitable for fast-paced applications. Equipped with built-in USB 3.0/USB-C hub and capable of delivering 65 watts of power through USB Power Delivery, the monitor supports seamless connectivity. Additional features such as Flicker Safe, Reader Mode, and noise reduction enhance eye comfort during prolonged use. With its ergonomic stand and three-sided borderless design, this monitor combines functionality and aesthetics, making it a valuable addition to any workspace or entertainment setup.
