The Lenovo Yoga 7 2-in-1 14ILL10 is designed for versatility and performance, offering a seamless transition between laptop and tablet modes. The 14-inch OLED display delivers vibrant colors and sharp images, enhanced by Dolby Vision and Low Blue Light technology for a comfortable viewing experience. With a glossy finish and anti-fingerprint coating, the screen stays pristine while you work or play.

Equipped with a powerful Intel Core Ultra 7 processor and 8-core performance, the Yoga 7 ensures
