USB-C, Mini HDMI, and VGA, this monitor offers flexibility for various devices. The high frame rate control (Hi-FRC) and fast response time of 3 ms ensure smooth visuals, making it ideal for dynamic content viewing. The energy-efficient design, consuming only 10 kWh/1000 h in SDR mode, aligns with eco-friendly standards, certifying compliance with RoHS, WEEE, and ERP. This monitor's tilt adjustment feature provides optimal positioning for a comfortable viewing experience.
