complemented by a dynamic contrast ratio of 80,000,000:1. The image quality is supported by advanced technologies such as Flicker-Free technology and Blue Light Reducer Function, ensuring comfortable long-term viewing. The wide horizontal and vertical viewing angles of 178 degrees enhance collaborative work or shared viewing experiences. Versatile connectivity is a hallmark of the iiyama ProLite, equipped with HDMI, DisplayPort, and USB-C interfaces, making it compatible with various devices. Its built-in USB 3.2 Gen 1 hub, complete with USB Power Delivery of 95 watts, simplifies power management and connectivity. Additionally, the monitor features ergonomic adjustments including height, tilt, and swivel capabilities, allowing for customizable viewing positions to enhance comfort and productivity.
