80000000:1 and brightness level of 450 cd/m² ensure clear imagery in various lighting conditions, enhancing productivity and content creation tasks. Features such as HDR400 and Flicker-Free technology contribute to a comfortable viewing experience, making long hours of work less straining on the eyes. Connectivity is easy with multiple input options including HDMI, DisplayPort, and USB-C. The built-in USB-C docking station provides 96 watts for device charging, preventing clutter from additional power adapters. The inclusion of a KVM switch allows seamless switching between different devices, making multitasking straightforward. Additionally, the monitor supports various ergonomic adjustments, including height, tilt, swivel, and pivot, ensuring an optimal viewing position for every user.
