Product Code: 302573

## **R15,672**

Experience stunning visuals with the ASUS ROG Strix XG27AQDNG monitor, designed to elevate gaming and multimedia enjoyment. This 27-inch Quantum Dot OLED display offers a native resolution of 2560 x 1440 and a V-Sync rate of 360 Hz, ensuring smooth visuals even in demanding scenarios. With a peak brightness of 1000 cd/m<sup>2</sup> and a contrast ratio of 1500000:1, this monitor delivers vibrant colors and deep blacks for an immersive viewing experience. Support for HDR (high dynamic range) enhances picture quality, allowing gamers and content creators to see every detail come to life. The ergonomic design includes a height-adjustable stand with tilt, swivel, and pivot adjustments, ensuring comfortable use for extended periods. With ASUS GamePlus and GameVisual Technology, players can customize display settings for an edge in competitive gaming. Integrated features such as a USB 3.2 Gen 1 hub, HDMI, and DisplayPort connectivity provide versatility for various setups. The monitor's dynamic picture enhancements, including Shadow Boost technology
