**R5,087**

The AOC Pro-line 24P4CV monitor offers a sleek design and features tailored for both productivity and leisure. With a 24-inch diagonal size and Full HD (1080p) resolution, this LED-backlit LCD monitor delivers vibrant visuals with 16.7 million colors. The IPS technology ensures wide viewing angles of up to 178 degrees, allowing for consistent imagery from virtually any position. Ergonomic adjustments, including height, swivel, rotation, and tilt, improve comfort and viewing flexibility while the anti-glare coating reduces reflections for a more enjoyable experience.

Equipped with built-in USB 3.2 Gen 1 hub, KVM switch, and an Ethernet network adapter, the AOC Pro-line 24P4CV streamlines your workspace while offering ample connectivity options. The included HDMI, DisplayPort, and USB-C cables make it easy to connect devices. Designed with sustainability
