The AOC Gaming 24G4ZRE is designed for gamers who prioritize performance and immersion. With a 24-inch display and a native resolution of 1920 x 1080, this monitor delivers sharp visuals and vibrant colors, supported by WLED backlight technology. The Fast IPS technology ensures wide viewing angles of 178 degrees, allowing for excellent visibility from multiple positions. A V-Sync rate of up to 240 Hz and a response time of just 0.3 ms make this monitor responsive, providing an edge in competitive gaming. Features like Flicker-Free technology and Motion Blur Reduction enhance the viewing experience, ensuring that gameplay is smooth and visually appealing. The anti-glare coating minimizes reflections, allowing for effortless gameplay in different lighting conditions.
