The AOC Gaming 27G4ZRE is a 27-inch desktop monitor designed for gamers seeking performance and immersive visuals. Featuring a native resolution of 1920 x 1080, this monitor delivers clear images at a fluid 240 Hz refresh rate, ensuring every fast-moving scene is captured without motion blur. Its Fast IPS technology provides color accuracy and wide viewing angles of 178 degrees, making it suitable for multi-player sessions and competitive gaming. The anti-glare coating and textured finish enhance the viewing experience by reducing reflections and distractions.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice.
