The AOC Gaming Q27G4ZD is a 27-inch Quantum Dot OLED desktop monitor designed for immersive gaming experiences. With a native resolution of 2560 x 1440 and a refresh rate of 240 Hz, this monitor delivers smooth images for fast-paced gameplay. The anti-reflective display ensures visibility in various lighting conditions, while the 178-degree viewing angle keeps colors consistent from any perspective. Equipped with gaming modes, including FPS and RTS, it enhances visual performance for competitive play. The low input lag and rapid 0.03 ms response time support quick reactions in critical moments. Featuring a 3-sided frameless design, the Q27G4ZD allows for an unobstructed view, fitting seamlessly into multi-display setups. The monitor includes a USB 3.2 Gen 1 hub for easy connectivity of peripherals. Its HDR capabilities, coupled with a brightness of 1000
