Product Code: 302596

R3,411

Experience vibrant visuals with the Philips Evnia 3000 27M2N3201PL monitor featuring a 27-inch Full HD LED-backlit display. This monitor utilizes Fast IPS technology to deliver color accuracy, supporting 16.7 million colors along with color gamuts like 107% NTSC and 116% sRGB. Whether gaming or working, this monitor adapts with VESA Adaptive-Sync technology offering refresh rates up to 260 Hz to ensure smooth performance.

Designed for versatility, the display allows for tilt adjustments from -5 to +20 degrees, ensuring comfort during prolonged use. With features like Flicker-Free technology, LowBlue Mode, and various gaming modes such as FPS and Racing Mode, the Philips 27M2N3201PL is suited for both gamers and professionals. Additionally, the anti-glare coating and a typical response time as low as 0.3 ms help in providing a clearer and more immersive viewing experience.
