

SAPPHIRE NITRO+ AMD RADEON RX 9070 GAMING OC 16GB DUAL HDMI DUAL DP

Model: 11349-01-20G

Manufacturer: SAPPHIRE

EAN: 4895106295933

Product Code: 302604

R16,694

The Sapphire NITRO+ Radeon RX 9070 offers performance and features for gamers and content creators. Equipped with a powerful AMD Radeon RX 9070 graphics processor and 16 GB of GDDR6 SDRAM, this graphics card delivers visuals and smooth gameplay at resolutions up to 7680 x 4320, making it suitable for high-end gaming setups. Its triple fan design, intelligent fan control, and cooling technologies ensure reliable operation even during intense gaming sessions, while the robust 14 Phase Power Design ensures optimal power delivery.

With support for up to four monitors, the Sapphire NITRO+ Radeon RX 9070 makes multitasking seamless, allowing users to enjoy experiences across multiple displays. Additionally, it is compliant with DisplayPort 2.1 standards, ensuring compatibility with a range of devices. Features like AMD FidelityFX Super Resolution 4 (FSR) and AMD Smart Technologies provide an extra layer of

performance optimization, while the integrated ARGB lighting adds a personalized touch to any
