

GIGABYTE GeForce RTX 5080 GAMING OC 16GB VGA

Model: GV-N5080GAMING OC-16GD

Manufacturer: GIGABYTE

EAN: 4719331355494

Product Code: 302618

R34,517

The GIGABYTE GeForce RTX 5080 GAMING OC 16G is designed for gamers who demand high performance and stunning visuals. Featuring 16 GB of GDDR7 SDRAM, this graphics card delivers excellent memory speed of 30 Gbps over a 256-bit bus width, ensuring smooth gameplay at higher resolutions. With its support for up to 4 monitors, the RTX 5080 allows for an immersive gaming experience with a maximum external resolution of 7680 x 4320, perfect for multi-display setups. Equipped with advanced features, this graphics card utilizes the GIGABYTE WINDFORCE cooling design combined with vapor chamber cooling technology to maintain optimal performance. Users will benefit from NVIDIA G-Sync readiness, dual bios functionality, and RGB lighting to customize the look of their gaming rig. The RTX 5080 also supports ray tracing, NVIDIA DLSS 4, and other innovative technologies, making it a solid choice for demanding titles and creative applications alike.
