R17,959

The GIGABYTE GeForce RTX 5070 AERO OC 12G is designed to elevate gaming and creative experiences. With 12 GB of GDDR7 SDRAM and a memory speed of 28 Gbps, this graphics card delivers performance for demanding applications. The advanced NVIDIA GeForce RTX 5070 graphics processor ensures smooth frame rates while supporting high resolutions up to 7680 x 4320, making it a choice for multi-monitor setups, with a maximum support for 4 displays.

Featuring an innovative triple fan design and GIGABYTE WINDFORCE cooling technology, this graphics card maintains optimal temperatures even during intense sessions. The RGB lighting adds an aesthetic flair, while Dual Bios and support for NVIDIA Reflex and DLSS 4 transform your workflow and gaming strategy. Equipped with multiple connectivity options, including 3 DisplayPorts and an HDMI port, this card is ready for a range of applications, ensuring a versatile addition to any setup.
