Experience stunning visuals with the ASUS ROG Strix XG32UCG, featuring a 32-inch form factor that brings gaming and entertainment to life. With a native resolution of 3840 x 2160, this desktop monitor ensures detailed images, while the 160 Hz maximum V-Sync rate provides a smooth and responsive gaming experience. The display boasts a 178-degree viewing angle, making it ideal for multi-angle viewing, whether you're gaming or watching movies with friends.

Designed with gamers in mind, the ASUS ROG Strix XG32UCG incorporates technologies such as NVIDIA G-SYNC and AMD FreeSync Premium, effectively eliminating screen tearing for a seamless experience. The monitor also features a variety of customizable settings like ASUS GameVisual Technology and Shadow Boost to enhance visuals according to your preferences. Coupled with its
