

## **PALIT RTX 5060 Infinity 2 OC 8GB GDDR7 128bit 3-DP HDM**

Model: NE75060V19P1-GB2063L

Manufacturer: PALIT

EAN: 4710562245684

Product Code: 302705

## **R8,794**

The Palit Infinity 2 OC video card offers performance for gamers and content creators. Featuring the NVIDIA GeForce RTX 5060 graphics processor, this card supports real-time ray tracing and AI capabilities, providing visuals and enhanced gameplay. Users can enjoy resolutions up to 7680 x 4320, ensuring clarity on a maximum of four monitors, with fluid refresh rates up to 120 Hz. Equipped with 8 GB of GDDR7 SDRAM and a bandwidth of 448 GBps, the Infinity 2 OC is engineered for speed and efficiency. The PCI Express 5.0 interface enhances the device's performance during demanding applications. Furthermore, advanced features such as NVIDIA DLSS 4, NVIDIA Reflex 2, and support for both AV1 decode and encode ensure it meets current standards for gaming and creative applications. With 3840 CUDA cores and robust thermal management from its 2-slot fan cooler, this graphics card delivers power and reliability for various tasks.
