R3,929

The HP 724pn monitor is designed to deliver a superior visual and ergonomic experience for professionals and home users alike. With its 24-inch widescreen and native resolution of 1920 x 1200, it offers crisp, clear visuals that bring your content to life. The edge-lit LED backlight and comprehensive color support, including 100% BT.709 and 99% sRGB, ensure vivid colors and deep contrasts.

Connectivity is a breeze, thanks to HDMI, DisplayPort, and USB 3.2 Gen 1 ports, making it easy to connect a variety of devices. The ergonomic design, featuring height, pivot, swivel, and tilt adjustments, allows users to find the perfect viewing angle, reducing strain during long work

sessions. Additionally, the HP Eye Ease and Low Blue Light technology minimize eye strain and
