The Iiyama ProLite XUB2293HS-B6 is a versatile 21.5-inch desktop monitor designed to enhance productivity with its features. It has a native resolution of 1920 x 1080 for vibrant Full HD display, complemented by a brightness of 300 cd/m<sup>2</sup> that ensures clear visuals in various lighting conditions. With a 1 ms response time, it minimizes motion blur, making it suitable for fast-paced activities such as gaming or video editing. This monitor supports HDMI and DisplayPort connections, providing flexibility in setup. The advanced IPS technology allows for wide horizontal and vertical viewing angles of 178 degrees, enabling multiple users to view content without distortion. Features like Blue Light Reducer Function and Flicker-Free technology contribute to a comfortable viewing experience, while the 3 Side Borderless Design adds an elegant aesthetic to any workspace. Additionally, the
