Product Code: 303025

## R8,912

The Iiyama ProLite XCB3497WQSNPH-B1 is a 34-inch curved desktop monitor that provides UWQHD resolution of 3440 x 1440 pixels. With a 1500R screen curvature, this monitor enhances immersion, making it suitable for gaming and multitasking. The VA technology ensures rich colors and deep contrasts with a dynamic contrast ratio of 80,000,000:1 and brightness of 300 cd/m<sup>2</sup>. With a fast response time of 0.4 ms and AMD FreeSync Premium technology, it minimizes motion blur, offering a smooth visual experience.

The monitor includes various connectivity options such as HDMI, DisplayPort, and USB-C, allowing connections to multiple devices. Its built-in USB hub and KVM switch streamline device management, while the ergonomic design allows for height, tilt, and swivel adjustments to enhance user comfort during extended use. Additionally, the matte screen coating and blue light filter technology reduce eye strain, promoting a healthier viewing experience. Suitable for both work and leisure, the Iiyama
