enjoy wide viewing angles of 178 degrees horizontally and vertically, making this monitor suitable for multi-display setups or for sharing screens with friends.

The monitor incorporates multiple features to enhance user experience and comfort, including Flicker-Free technology and blue light reduction to minimize eye strain during extended gaming sessions. The built-in USB 3.2 Gen 1 hub allows for easy connection of peripherals, while various input options like HDMI and DisplayPort provide versatility in connectivity. With adjustments for height, swivel, pivot, and tilt, the iiyama G-MASTER provides ergonomic support, ensuring users can game comfortably for hours.
