allowing for immersive gameplay without compromising eye health. The versatility of the iiyama monitor includes a built-in USB 3.2 Gen 1 hub, multiple interface options including HDMI and DisplayPort, and adjustable display position options such as tilting, swiveling, and height adjustments. The monitor's HDR400 support and dynamic contrast ratio of 8000000:1 ensure that users experience an expansive range of colors and deeper blacks that enrich multimedia content. Whether used for gaming, office work, or creative pursuits, the GB2771QSU-B1 balances functionality with performance, making it a valuable addition to any setup.
