Manufacturer: MMD-MONITORS & DISPLAYS

EAN: 8712581805913

Product Code: 303165

R4,208

The Philips Evnia 5000 27-inch monitor is designed for both avid gamers and professional users seeking high visual performance and comfort. Its 1500R curved screen provides an immersive viewing experience and enhances focus by bringing the edges closer to you. The monitor's impressive color gamut coverage, with 108% NTSC and 121% sRGB, ensures vibrant and true-to-life colors, making every detail stand out. HDR10 support improves the viewing experience with striking brightness and contrast.

For gamers, the fast 0.3 ms response time and up to 280 Hz refresh rate via DisplayPort ensure that every movement is rendered with clarity, giving you a competitive edge. The Philips Evnia 5000 also focuses on your comfort with its ergonomic design, offering height, swivel, and tilt adjustments to maintain a comfortable posture during long sessions. Eye comfort is a priority, with Flicker-Free technology and LowBlue Mode minimizing eye strain for a more enjoyable viewing experience. Whether for gaming, work, or entertainment, the Philips Evnia 5000 is designed to impress.
