R2,831

The Iiyama ProLite XU2793HS-B7 is a 27-inch desktop monitor designed to enhance any workspace with its Full HD resolution of 1920 x 1080. This display technology features a TFT active matrix and delivers bright, vivid images with a brightness level of 300 cd/m² and a contrast ratio of 1300:1. Enjoy seamless visuals with a 1 ms response time and a wide viewing angle of +89/-89 degrees, ensuring image quality from various positions. The monitor's flicker-free technology and blue light reducer function contribute to a more comfortable viewing experience, minimizing eye strain during long hours of use. Its eco mode optimizes energy consumption, reflecting a commitment to environmental responsibility while maintaining performance.
