Product Code: 303190

R3,112

The Iiyama ProLite XU2793HSU-B7 is a 27-inch desktop monitor that offers Full HD resolution of 1920 x 1080, providing vibrant visuals. With features such as Adaptive-Sync technology and Flicker-Free technology, this monitor ensures a smooth and comfortable viewing experience, reducing eye strain during extended use. The matte display screen coating and wide color support of 16.7 million colors deliver excellent image quality, suitable for professional applications and entertainment.

This monitor is equipped with a USB 2.0 hub, allowing easy connectivity for accessories, as well as HDMI and DisplayPort inputs for versatile compatibility. With a sleek 3-sided borderless design, it enhances any workspace while ensuring that your visual content remains the focal point. The ergonomic tilt adjustments provide flexibility in positioning, making it an ideal choice for users who prioritize functionality and comfort.
