

## **HOTWAV TAB R9 Plus tablet (red)**

Model: R9 Plus Red

Manufacturer: HOTWAV

EAN: 6971593179661

Product Code: 303580

# **R6,520**

### **HOTWAV TAB R9 Plus Tablet (Red)**

The HOTWAV TAB R9 Plus is a tablet designed for those who are looking for a multitasking device — without worrying about conditions, operating time, or performance. Its extremely durable construction makes it resistant to water, dust, and intensive outdoor use, while its advanced processor and huge amount of memory guarantee smooth operation every day. The powerful battery allows you to forget about the charger for a long time, and the built-in LED lamp adds a practical, outdoor character. The large 2K screen with Full HD support, high-quality cameras, and fast mobile connectivity make it ideal for work, entertainment, and communication. The whole thing is complemented by smart features, convenient extras, and ergonomic details that make the R9 Plus a reliable companion in any situation.

### **Power that keeps up with you**

At the heart of the tablet is an energy-efficient, octa-core Unisoc T7280 processor clocked at up to 2.2 GHz, running on Android 14. This configuration ensures smooth application performance, stable

multitasking, and fast interface responses. You have up to 24 GB of RAM at your disposal, including 8 GB of physical RAM and an additional 16 GB of expansion, which translates into freedom of work even with the most demanding tasks. The huge 512 GB internal memory can easily store photos, videos, and applications, and thanks to microSD card support, it can be expanded up to 1 TB.

## **Power for long days in the field**

The HOTWAV TAB R9 Plus stands out with its 20080 mAh battery, which is designed for long-term operation without the need for recharging. The tablet offers an impressive standby time of over 120 days, making it ideal for expeditions, field work, or long journeys. The rear cover features an LED camping lamp with a brightness of up to 350 lumens, which can operate in continuous lighting mode or as an SOS signal, increasing the safety and functionality of the device in outdoor conditions.

## **Unlimited images, multimedia, and entertainment**

The large 11-inch 2K display provides a high level of detail and viewing comfort for both work and entertainment. Support for Widevine L1 technology enables Full HD content streaming on popular platforms such as Netflix and Amazon Prime. The tablet is equipped with a 64 MP rear camera based on the PureCel® Plus sensor, which allows you to capture detailed photos, as well as a 16 MP front camera ideal for video calls and remote work. The ability to record video in 1080P resolution makes the device also suitable as a mobile tool for documenting events.

## **Connectivity, intelligence, and ease of use**

The HOTWAV TAB R9 Plus supports 4G and Dual SIM, allowing you to stay online wherever you are. It also features Wi-Fi 5 operating in the 2.4 and 5 GHz bands and Bluetooth 5.0, ensuring stable and fast connections to accessories and the network. Everyday use is made easier with features such as Face ID unlocking and Glove Mode, which increases screen sensitivity and allows you to operate the tablet while wearing gloves. Ergonomics are improved by a flexible aluminum stand and a leather wrist strap, allowing you to comfortably hold and position the device in any position, even in demanding conditions.

## **Durability you can rely on**

The tablet meets the rigorous IP68, IP69K, and MIL-STD-810H military standards, which means it is fully resistant to dust, water, and heavy use in difficult terrain. The device can easily withstand immersion in water up to 2 meters for 30 minutes, as well as drops from a height of up to 1.2 meters. Its robustness is backed by advanced assembly techniques supported by AI algorithms and numerous endurance tests, including drop, tumble, screen touch, and USB port tests. The whole thing is complemented by Corning® Gorilla® Glass 3, which effectively protects the display from scratches and everyday wear and tear.

## Included in the box

- tablet
- 3A data cable
- OTG cable
- charger
- colored protective film
- warranty card
- user manual
