

Wireless Router TP-LINK Router 19000 Mbps LAN \ WAN ports 2 ARCHERGE800

Model: ARCHER GE800

Manufacturer: TP-LINK

EAN: 4895252502343

Product Code: 309886

R9,980

DOMINATE THE COMPETITION

BE19000 Tri-Band Wi-Fi 7 Gaming Router ARCHER GE800

UNLEASH THE TRUE POWER OF WIFI 7

With the upcoming 7th generation of WiFi,
the ultimate gaming experience will be unleashed.

4.8x FASTER

WiFi 7 accelerates throughput up to 46 Gbps.

4x LOWER LATENCY

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Ultra smooth WiFi with 4× lower latency than Wi-Fi 6/6E routers.

2× NETWORK CAPACITY

With 320 MHz bandwidth, WiFi 7 provides up to 2× greater capacity than WiFi 6/6E.

FUTURE-PROOF WIRED CONNECTIVITY

2× 10 Gbps Ports

Leverage your ISP's ultra-fast speeds, or utilize 10G LAN to deliver up to 10× faster data-transfer speeds, providing gaming laptops with lightning-fast connectivity to conquer any game.

- Unprecedented 19 Gbps Tri-Band WiFi 7: Delivering 11520 Mbps on the 6 GHz band, 5760 Mbps on 5 GHz, and 1376 Mbps on 2.4 GHz. Make sure your network is primed for intense gaming
- Two 10G Ports for Future-Proof Connectivity: 2× 10 Gbps WAN/LAN ports, and 4× 2.5 Gbps LAN ports support massive bandwidth for wired gaming devices and ultra-fast connections, accommodating all gaming needs
- Exclusive Acceleration for Games: Accelerate game applications, game devices, mobile games, and game servers. Stabilize connections, minimize jitter, lag and ping while boosting speed
- Dedicated Game Panel: An intuitive game panel provides real-time insights into the battle environment, network status, router performance, rgb settings, accelerated games and gears, enabling players to strategize effectively
- Game-Style Design: High-performance launch pad appearance, seamless multicolor lighting, and optimized antenna layout ensure quality connections and a vibrant atmosphere
- TP-Link HomeShield: HomeShield provides robust antivirus protection for a secure gaming experience. It defends all your devices and personal data against online threats, ensuring peace of mind while gaming
- EasyMesh Compatibility—Works with EasyMesh routers and range extenders to form seamless whole home Mesh WiFi. This connectivity ensures consistent coverage, allowing gamers to collaborate efficiently and dominate team battles

Summary: TP-Link Archer BE19000 Tri-Band Wi-Fi 7 Gaming Router. WAN connection type: RJ-45. Wi-Fi band: Tri-band (2.4 GHz / 5 GHz / 6 GHz), Top Wi-Fi standard: Wi-Fi 7 (802.11be), WLAN data transfer rate (max): 11520 Mbit/s. Ethernet LAN interface type: 10 Gigabit Ethernet, Ethernet LAN

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
