

NAS STORAGE TOWER 2BAY/NO HDD DS725+ SYNOLOGY

Model: DS725+

Manufacturer: SYNOLOGY

EAN: 4711174726035

Product Code: 309964

R15,103

2.5GbE connectivity and diverse storage options

The DS725+ features built-in 2.5GbE networking and supports both SATA SSDs and HDDs in 2.5"/3.5" internal bays, as well as M.2 NVMe drives via M.2 slots for use as cache.

- Up to 276 MB/s sequential read and 224 MB/s sequential write performance enables fast file sharing, syncing, streaming, and backup for multiple users
- Includes one 2.5GbE port and one 1GbE port, providing fast networking with failover support
- Supports 2 2.5" SATA SSD and 3.5" SATA HDD.7 Synology hard drives and SSDs are designed to integrate seamlessly with Synology systems, delivering exceptional reliability
- Expandable to 7 drives for up to 140 TB of raw storage with Synology DX525 expansion unit1
- Two built-in M.2 slots provide SSD caching capability without occupying drive bays

Summary: Synology DiskStation DS725+. Type: NAS, Device class: Home & Home Office. Processor family: Ryzen Embedded, Processor model: R1600, Processor frequency: 2.6 GHz. Internal memory:
